

Welcome Back Rowan!

rowanclass@longleaze.wilts.sch.uk

Welcome back to Term 2! We hope you had a wonderful half-term break.
Thank you to all the parents who attended parents evening at the end of last term- it was great to be able to share the children's learning with you all.
Please remember that our door is always open. If you have any questions, you can email us on the above email address or make an appointment to meet with us via the office.
Mrs Richards and Mrs Wood

Topic

This term, our topic is 'Eco-Warriors'. In science lessons, we will be learning about electricity, and the children will be making their own circuits to develop their understanding of how electricity works. This term, we will also be learning about renewable and non-renewable energy. As part of the topic, we will be conducting some fieldwork to answer the question: how sustainable is Royal Wootton Bassett?

For more information on our topic this term please look at the knowledge organiser. You can use this to rehearse the knowledge we are learning in class, as well as learning the key vocabulary that the children will be using.

PE

PE this term will be on Mondays and Thursdays. The children will be developing skills in Netball on Mondays and children will need to arrive at school dressed in their PE uniform.

On Thursday afternoons, we will be going swimming. Children can wear their PE kit to school and bring their swimming things in a separate bag, which they will need to carry to the swimming pool with them. As a reminder, children are allowed to bring in an additional snack to have when they get back to school.

Key dates

Monday 2nd November	First day of term
