1. Aims

This policy aims to:

- Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out how the school will make decisions on pupil premium spending
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school

2. Legislation and guidance

This policy is based on the [pupil premium conditions of grant guidance \(2017-18\)](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

In addition, this policy refers to the DfE's information on [what maintained schools must publish online](#).

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

4. Use of the grant

When the school decides how the pupil premium grant is allocated, it considers:

- *the context of the school and the main challenges or barriers its disadvantaged pupils face e.g. social and emotional issues, parental engagement, how regularly pupils read at home;*
- *evidence-based research e.g. resources from the [Education Endowment Foundation](#),*
- *Analysis of the impact of spending that has been allocated in the past. e.g. through data, book scrutiny and pupil voice;*

- *the views of pupils, staff, parents and governors.*

Some examples of how the school may use the grant include:

- *Pastoral support;*
- *Extra teaching assistant provision from 8.40am-9am to provide reading support for disadvantaged learners;*
- *Access to the Parent/ Carer Support Advisor Service;*
- *Funding to allow disadvantaged pupils free access to the Early Morning Drop off and breakfast session;*
- *Increased access to outdoor learning.*

We will publish our strategy on the school's use of the pupil premium in each academic year on the school website, in line the DfE's requirements on what maintained schools must publish online.

Information on how the school uses the pupil premium grant and an evaluation of the impact of this spending is available here:

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Reception to Year 6

Eligible pupils fall into the categories explained below.

5.1 Ever 6 free school meals

Pupils recorded in the most recent January school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent January census.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

5.2 Looked after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales.

5.3 Post-looked after children

Pupils recorded in the most recent January census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

5.4 Ever 6 service children

Pupils:

- With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent January census
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces

6. Roles and responsibilities

6.1 Head teacher and senior leadership team

The headteacher and senior leadership team are responsible for:

- Keeping this policy up to date, and ensuring that it is implemented across the school
- Ensuring that all school staff are aware of their role in raising the attainment of disadvantaged pupils and supporting pupils with parents in the armed forces

- Monitoring the attainment and progress of pupils eligible for the pupil premium to assess the impact of the school's use of the funding
- Reporting on the impact of pupil premium spending to the governing board on an ongoing basis
- Publishing the school's pupil premium strategy on the school website each academic year, as required by the DfE
- Providing relevant training for staff, as necessary, on supporting disadvantaged pupils and raising attainment

- Making sure methods for allocating and spending ensure that looked after children benefit without delay

- Working with each looked after child's educational setting to put together a personal education plan, agree how pupil premium funding will be spent to meet the need identified in this plan, and ensure the funding is spent in this way

Virtual school heads are in charge of promoting the educational achievement of all the children looked after by the local authority they work for.

7. Monitoring arrangements

This policy will be reviewed annually by the head teacher and the senior leadership team. At every review, the policy will be shared with the governing board.
