

Dear Parents and carers,

I hope that you had a great Christmas holiday and enjoyed a nice relaxing break with your children. Thank you so much for your kind gifts for Christmas. As you might have heard, we have got straight back into the swing of things with our new topic focusing on Ancient Egypt.

First we will be getting to grips with Ancient Egypt and when this period of history fits into the wider timeline of History. We will then delve further into life in Ancient Egypt, which can be seen in more detail on the back of this letter. We will be inviting you in to the Beech and Silver Birch Egyptian Museum to view the children's learning on Thursday 7<sup>th</sup> February 2018. This will be at 3:15pm and will allow you to view their learning for the term.

There will be a Maths week this term beginning on the 28<sup>th</sup> January. There will be a Family Friday at the end of the week where you can come and join in the mathematical fun.

Thank you for your continued support with homework. Please continue to discuss your child's learning with them as much as possible at home. This will help them to explain their learning further and embed what we have covered in school. If there are any issues with the homework, please make an appointment to speak with me.

PE kit needs to be in school on the Monday and taken on home on Friday. We will be having Superstars PE this term where we will be building on our hockey skills. These lessons will be outside so please make sure the children have the appropriate PE kit for this.

Any issues or questions, then please don't hesitate to arrange an appointment.

Many thanks,  
Mr. L Nash
