

Oak Class Topic Letter

Term 3: 2018

Welcome Back!

Dear Parents/ Carers,

Welcome back and Happy New Year! We would like to thank you for all our lovely Christmas presents and cards. We feel very spoilt! We hope you all had a lovely, healthy and restful Christmas.

This term we are travelling to cold places and the children have chosen the theme of a 'Winter Wonderland' as their topic. They have planned to find out about Polar explorers and animals that live in Arctic conditions and fingers crossed we'll have some snow of our own to play in and explore! We will also be looking at the weather and what it does to our environment, what we need to wear in different conditions, how we take care of animals in cold climates and creating some beautiful wintery art and craft bits too. For a full outline please see the topic web on the back of this letter.

Finally, if you have any issues you would like to discuss please do not hesitate to come in and talk to us after school.

Kind regards

Mrs Harris and Miss Watkins.

Clothing

As we do lots of our learning outside and as the weather gets colder it's important that the children have hats, mittens and scarfs so they are warm enough. Please don't forget to name all items. Keeping a pair of wellies in school is also a good idea for when it's really wet.

Toys

Please do not let your child bring in toys and bits and bobs from home, as they often distract the children from their learning and get lost.

PE

This term PE will be on Thursday and Friday morning. Mrs Connolly will take Thursday's lesson and Mr B(Backhouse) from Superstars PE will take Friday's lesson. Mr B will be teaching the children ball skills and hopes to do most of his lessons outside (weather permitting). Please ensure your child has a pair of black joggers or leggings in their PE kit. They will also need a pair of trainers or daps too.

Class Trip

If you volunteered to help on the trip we will be in touch shortly. Thank you
