

The Anti-Bullying Policy

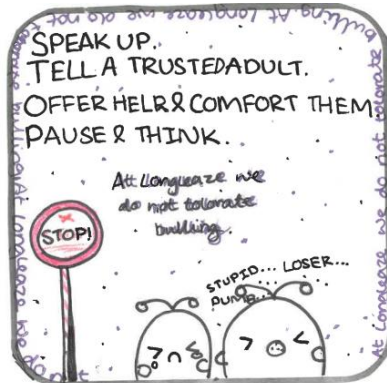

Bullying is never tolerated at Longleaze Primary School

Bullying is deliberately hurting somebody again, again and again.

Bullying can happen in the playground, inside the school or online.

You should tell – a teacher, a TA, a friend or a trusted adult straight away.

The school will speak to the parents of the bully and of the victim.

The school will make the bullying stop.

Everyone has the right to feel happy and safe.
