

Oak Class Topic Letter

Term 3 - 2026

Happy New Year!

Dear Parents and Carers,

Firstly, we would like to thank you so much for all our lovely Christmas presents and cards. We hope you all had an enjoyable and restful Christmas.

This term our topic is called 'I wonder...'. We will be observing and discussing and predicting what happens as we bake, carry out simple experiments, and explore outside as the season changes. Please share the knowledge organizer with your child.

We will be moving onto phase 3 in our phonics and using it to read and write simple sentences and captions in literacy.

In math's we will be deepening our understanding and knowledge of number facts to 5.

We will also be learning about how the New Year is celebrated in other places and by different religions in RE. Finally, our PSHE this term will be all about keeping healthy. We will look at the things we need to do, put on and into our bodies to keep us fit and healthy.

Kind regards,

Mrs. Harris, Miss Watkins and Miss Clifton

PE

This term, our PE sessions will be on a Friday and will be delivered by STFC's football in the community team. The children will be working on early ball and tactical game skills. As this session will be outside (weather permitting) the children will need to wear plain black joggers, trainers, school t-shirt and jumper. Please remember to name all items.

Help!

Please could we ask for a voluntary contribution of £2 per child to enable us to provide ingredients and food tasting opportunities that support the children's learning.

We will also need some volunteers to support us on future trips. If you would like to help, please come in and see Mrs. Radford to complete a DBS check. You will need to bring in three forms of ID, National Insurance Number and name and email addresses of two references.

Clothing

We spend time outside whatever the weather. Please ensure your child has warm clothing on and a pair of wellie boots in school. Remember to name coats, hats, scarves and gloves/mittens too.
