

Acorn Class

Heroes in History

Term 6: Summer 2026

Welcome back to another exciting term. We hope you had a wonderful break and that you managed to enjoy some sunshine and the long bank holiday weekend.

This term we have a history focus and will be looking at significant individuals in the field of travel and transport. These include Amelia Earhart and Dame Ellen MacArthur, two inspirational females from history. In science we will be looking at working scientifically. Each week we will be focusing on different scientific skills whilst carrying out a variety of experiments and predicting what we think will happen.

In week two of this term Year 1 will be taking part in the statutory Phonics Screening Check. You will find out your child's result in their school report. If you would like some additional information please visit [Phonics screening check: information for parents](#)

With the weather becoming warmer, please ensure that your child comes to school with a water bottle, sun cap and with sun cream applied on sunny days. A raincoat would also be beneficial as our wonderful British weather is so unpredictable!

PE will continue to take place on Tuesdays and Thursdays this term. Please ensure your child comes into school with the correct PE kit of black shorts/leggings and a purple or white top, with black trainers.

If you have any questions, please don't hesitate to talk to us at the end of the day or to contact us at acornclass@longleaze.wilts.sch.uk.

Alternatively, you can leave a message with Mrs Radford in the office, and we will get back to you.

Kind regards,

Miss Bayfield
