Definition

'Looked After' is a term that refers to children for whom the Local Authority is sharing parental responsibility. This can happen either with parental agreement or when a Court makes a Care Order. The child may be living with foster carers, in a residential unit, with family members or sometimes with their parents. These children are therefore subject to corporate parenting.

This policy includes requirements set out in "Statutory guidance on the duty on local authorities to promote the educational achievement of children under section 52 of the Children Act 2004" and associated guidance on the education of Looked After Children.

Governor Responsible: Chris Shelley
Designated Lead: Mr Martin Yeo

Aims

Longleaze Primary School's approach to encouraging and supporting the educational achievement of Looked After Children is based on the following principles:

- Ensuring an appropriately trained Designated Teacher is appointed, who will be responsible for all Looked After children.
- All Looked After Children will have a Personal Education Plan (PEP) drawn up between the school, the Virtual School, the child, and the child's social worker, which will identify the child's individual needs and the support they require
- Having high expectations for the child and ensuring equal access to a balanced and broadly based education.
- Recording, monitoring, and improving the academic achievement of the child in addition to their health and wellbeing.
- Achieving stability and continuity
- Prioritising reduction in exclusions and promoting attendance.

- Ensure that procedures are in place to monitor the admission, progress, attendance and any exclusion of Looked After Children and take action where progress, conduct or attendance is below expectations.
- Report on the progress, attendance and conduct of Looked After Children to all parties involved.

- Support the Head teacher, the Designated Teacher and other staff in ensuring that the needs of Looked After Children are recognised and met.

The Role of the Designated Teacher

- Ensure a welcome and smooth induction for the child and their carer, using the Personal Education Plan to plan for that transition in consultation with the child's social worker and arrangements are put in place to ensure their needs identified and met.
- This may include providing basic equipment and resources if necessary and providing appropriate support in meeting uniform requirements if needed.
- Ensure that a Personal Education Plan is completed with the child, the social worker, the foster carer and any other relevant people, at least two weeks before the Care Plan reviews.
- Maintaining an up-to-date record of the Looked After Children in school, including those in the care of other authorities and ensuring all necessary information is passed to other staff as required
- Ensure that each Looked After Child has an identified member of staff that they can talk to. This need not be the Designated Teacher but should be based on the child's own wishes.
- Track academic progress and target support appropriately
- Co-ordinate any support for the Looked After Children that is necessary within school liaising with teaching and non-teaching staff in school, including the person responsible for Child Protection as well as pastoral and subject staff to ensure they are aware of the difficulties and educational disadvantage LACs may face.

Confidentiality

- Information on looked after children will be shared with school staff on a "need to know" basis

Record keeping and information sharing

- The Designated Teacher will keep an up-to-date record of Looked After Children in school and will ensure that relevant information is made known to appropriate staff.
- A Personal Education Plan will be initiated within 20 school days of the Looked After Child or Young Person starting at the school or being taken into care and will be reviewed regularly and as necessary and appropriate to meet the needs of the Looked After Child.
- PEPs will be created, stored and reviewed online, using the Welfare Call ePep system.
