Local Area Study - Royal Wootton Bassett

Key Vocabulary

Geography – Local Area Study

town	A built-up area with a name, larger than a village but smaller than a city.
village	An area of houses and shops, smaller than a town.
map	A picture of an area that shows roads, rivers, green spaces and buildings.
route	A way of getting from one place to another.
direction	The way in which you might travel, for example forwards, backwards, left or right.
bird's eye view	To see something from above, as if you were looking down on it like a bird.

Lime Kiln Sports Centre

Jubilee Lake

Town Hall museum

Longleaze Primary School

Borough Fields shopping centre

canal

Our school is in the **town** of Royal Wootton Bassett. Royal Wootton Bassett is in the **county** of Wiltshire.

Can you find the school on the map? Can you find Jubilee Lake?

What is the weather like in Autumn? What changes would you expect to see outside?

Which months have the most/least daylight hours? How do you

Science - Key Vocabulary

Spring	Summer
Autumn	Winter
Weather	What the sky and the air outside are like.
Month	One of 12 parts of the year, between 28 and 31 days.

Our 4 fantastic facts:

1. A bird's-eye view map shows me a building or area from above.
2. Royal Wootton Bassett is a town.
3. Longleaze Primary School is on Byron Avenue in RWB.
4. Now it is Autumn and the days are getting shorter.

This is a **bird's-eye view** of Longleaze Primary School.
